

RoyalJet[®]

Welcome to the new **RoyalJet.**

This is a new chapter in an already exceptional journey - a transformation revealed through the reopening of our entirely redesigned VIP Lounge and the arrival of our freshly refurbished and upgraded BBJ, and continuing to come to life through every detail of our operation.

This is just the beginning.

A message from our CEO

Thank you for being part of our journey as we begin to transform our brand and our customer experience here at RoyalJet.

Over the coming weeks and months we will be sharing our exciting new changes with you, in order to ensure we deliver moments of delight to you, wherever possible.

Having developed a new vision and a set of principles which will guide us, we are taking RoyalJet into a new era. It is our pleasure to share a taste of that transformation with you.
