BOEING BUSINESS JET

# A6 RJF

The RJF, RoyalJet's latest acquisition, boasts 19 passenger VVIP interior with a forward crew rest area, an aft stateroom with expansive ensuite VIP lavatory and shower, and a first-class lounge. Finished with custom-made materials and state-of-the-art design configuration, the BBJ is designed for the best functionality and maximum comfort.

The BBJ's first-class lounge area is equipped with a custom liner system, CMS-controlled electric window shades, VIP-style custom carpet, LED reading, table lights, and wash lighting with customized mood presets among others.

It also has a 32-inch monitor, cabinets with two pullout tables on each side, hanging storage, and active emergency exits on both sides.

The aft stateroom is fitted with CMS-controlled electric window shades, VIP-style custom carpet, wash lighting, and a 42-inch monitor.

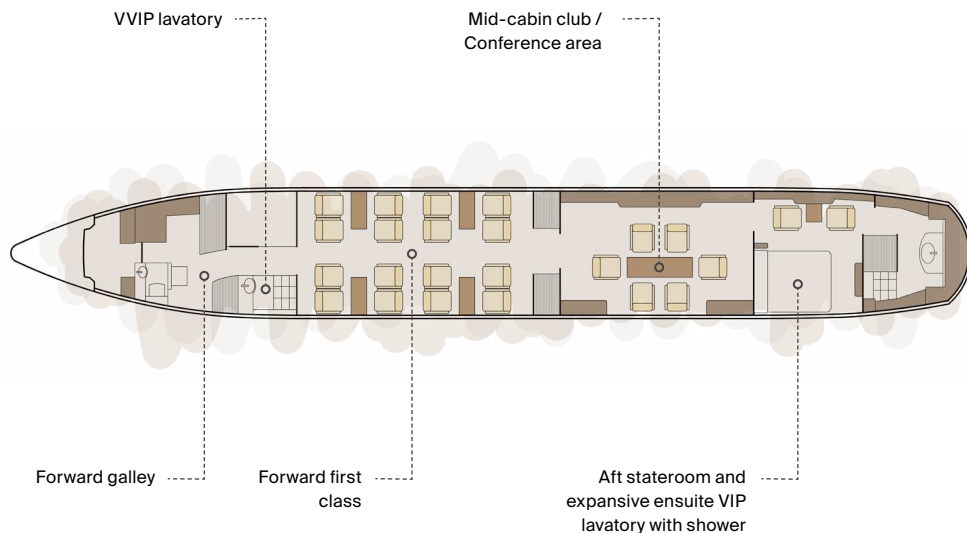

There's also the under-bed storage, a nightstand with storage, and a full-height closet with storage among others. In the rear of the plane is the expansive ensuite VIP lavatory complete with a rectangular shower.

The BBJ has spacious cabins with luxurious amenities such as fully reclining seats, and a private sleeping area, and is designed to fly at high speeds with long-range capacity, allowing it to cover long distances quickly and efficiently. The BBJ is built to the highest safety standards and has been tested to ensure its reliability.
