A6 RJK - Cargo

The A6 RJK, a unique Boeing Business Jet (BBJ) offers unparalleled versatility and performance. This aircraft is equipped with a cargo door and a reconfigurable interior, making it ideal for a wide range of missions. The RJK can be configured in four distinct ways: a spacious 92-seat economy cabin for large delegations, a luxurious 58-seat all-business class cabin for both business and leisure travel, an exclusive 34-seat VIP cabin for the most discerning travellers, and a purpose-built cargo configuration for transporting heavy equipment or high-value items.

The aircraft's state-of-the-art features include a cargo door, reconfigurable interior, KA-band connectivity for the fastest in-flight internet network, and FANS 1/A technology for seamless communication with air traffic control.

Additionally, the RJK is equipped with the first-ever Boeing BBJ certified flexible auxiliary tank configuration offered by Quiet Wings in Seattle, USA. This innovative feature allows for a wide range of aircraft ranges and cargo capacities, tailored to specific mission requirements.

The aircraft can be configured with 0 to 6 auxiliary tanks, and this configuration can be performed on the line within 24 hours.

The RJK is more than just an aircraft; it's a symbol of performance and versatility. Experience the future of private aviation with Royaljet.
