BOEING BUSINESS JET

A6RJZ

This beautiful aircraft offers forward and mid cabin club/conference groupings, a forward VIP lavatory, forward and aft galleys, aft business class, and standard class seating.

The interior of this aircraft was created utilizing premium materials, including high end leathers and gloss wood veneers, and state-of-the-art systems. It features a broadcast IFE System and lighting controls via the cabin management system and is also equipped with a high-quality sound system including overhead speakers and subwoofers.

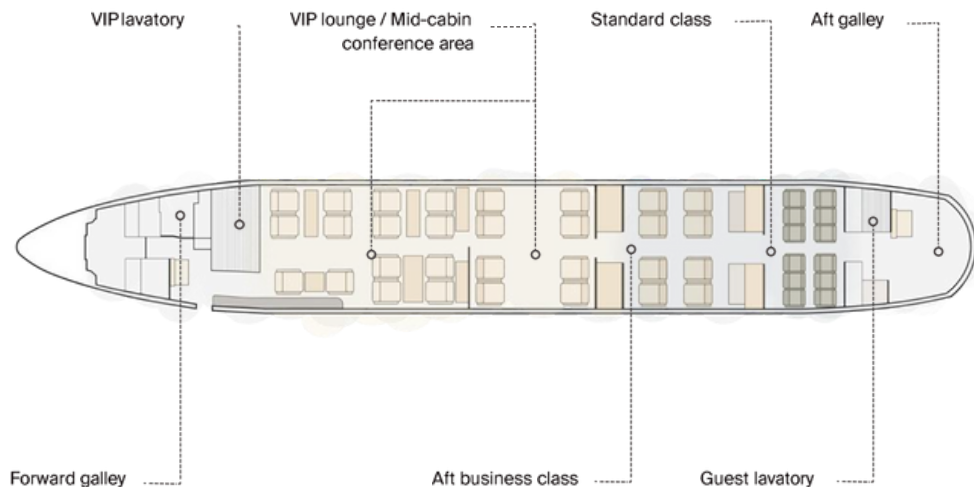

HEPA filtration is also featured, which optimizes health and comfort, leaving passengers more relaxed and fresh upon reaching their destination.

The cabin configuration offers flexibility between lower density (42 pax), or higher density (52 pax) depending on the client's preference and mission profile, and the aircraft is also capable of being converted into Medevac configuration via the installation of up to four ICU modules.

For a restful and comfortable trip overnight or at any time of the flight, this aircraft is equipped with up to 30 lie-flat or 140° reclining seats.
